

# Meet Alineque Carelse

**Scouts SA**  
**Mitchells Plain**

Allenique Carelse was born and bred in Lentegour, Mitchells Plain. She started her journey at YearBeyond in 2022 as a YeBoneer and is currently a student of the YeBo Academy. She was a Scouting in Schools Programme leader at Montana Primary School.

She coaches an under-8's soccer team when she's not at work. When she is free, she spends quality time with her beautiful son and family something she holds dear to her heart. Allenique also believes she has her own set of superpowers. She is a firm believer in using this to the best of her abilities to create the future she wants for herself.

## **What values are most important to you?**

The values that are important to me are the YearBeyond values. I try to implement these values in my life, ensuring that everything I do, is done with passion, innovation, collaboration, integrity, responsiveness, and quality.

## **What inspires you most?**

It is knowing that somewhere, somehow, I can make an impact on someone's life. I know that I was able to make a difference in the lives of my learners as a YeBoneer. Knowing that gives me a reason to go on with this journey.

## **What is your greatest strength?**

My ability to work under pressure and that I can be a team player.

*This interview was conducted and compiled by fellow YeBo Academy student, Kaylynn Williams.*

**YeBo Academy Class of 2023**
